## GET TO KNOW DOCUBUILDER.

DocuBuilder is our advanced content management platform that makes document publishing more efficient and accurate, helping mutual funds companies cut the time they spend managing content by up to 30-40%. Here's how we do it:

### HOW DOES DOCUBUILDER WORK?

DocuBuilder uses granular content technology to transform disparate pieces of data into one cohesive content ecosystem. With DocuBuilder, you can make a change in one document and automatically update it across multiple channels.

### HOW MUCH TIME CAN DOCUBUILDER SAVE MY COMPANY?

# 30-40%

Clients save an average of 30-40% of the time they spend managing content when they switch to DocuBuilder. We are experts at workflow and helping clients become more efficient.

#### WHAT CAN DOCUBUILDER DO FOR MY COMPANY?

With DocuBuilder you can easily update fact sheets, marketing materials and more, and publish them across multiple channels. DocuBuilder helps you cover all of your compliance bases while eliminating the risk for human error.

#### WHAT CAN DOCUBUILDER DO FOR MY EMPLOYEES?

Employees can enjoy greater flexibility and collaboration with DocuBuilder. It allows many people to work in the same document at the same time, eliminating the need for constant emailing back and forth.

#### WHAT CAN DOCUBUILDER DO FOR MY BOTTOM LINE?

With less time spent managing content, you can spend more time going somewhere with it. We're experts at helping you simplify your document management process, so you can focus on innovation instead.

## GET TO KNOW APPATURA.

### WHO IS APPATURA?

We are innovators, workflow experts and technology enthusiasts. Since 1993, we've been helping clients spend less time shuffling data around, and more time meeting their goals.

### HOW HAS APPATURA EVOLVED?

Formerly known as Data Communiqué, we've been helping clients manage their content for decades. Our technology has evolved over the years, but our customer service has remained the cornerstone of our brand.

### WHAT SETS APPATURA APART?

We strive to develop meaningful partnerships with our clients through 24/7 customer support, weekly meetings, and our online DocuBuilder Service Desk.

### HOW CAN APPATURA SAVE YOU TIME?

With DocuBuilder, thousands of documents and hundreds of thousands of components become a library of just hundreds. With fewer components, the time needed to push materials to market is reduced from weeks to days. The time it takes to proof documents is reduced from days to minutes, and the time required to make edits is reduced from hours to minutes.

**Increase Accuracy:** Each component exists in one place, despite being used across many channels. This means all versions of your message are identical, reducing editing time and guaranteeing consistency.
